

TERMS AND CONDITIONS OF USING THE WEBSITE. DISCLAIMER

Welcome to our website! If you continue to browse and use this site, you agree to abide by the following terms and conditions of use, which together with our privacy policy govern the relationship between you and extranet on this site.

If you disagree with any part of these terms and conditions, please do not use our website. The term "EXTRANET" or "we" refers to the site owner, headquartered in Zrinyi street no. 4 Cluj-Napoca, Romania, fiscal attribute RO11051573. The term "you" refers to the user or viewer of our website. Use of this website is subject to the following terms of use:

- The content of these pages of this website is only for your general information. This can be changed without notice.
- Neither we nor any third parties provide any warranty as to the accuracy, timeliness, completeness, or adequacy of the information and materials found or offered on this website for any particular purpose. You acknowledge that such information and materials may contain inaccuracies or errors and expressly exclude liability for any such inaccuracies or errors to the fullest extent permitted by law.
- Use any information or materials on this website iso on your own responsibility.
- This website contains products that are owned or licensed extranet. Reproduction of these products related to the design, layout, look and graphics is prohibited.
- Unauthorized use of this website may give rise to a claim for damages or, where appropriate, may constitute an offense.
- It is possible that this website includes links to other websites. These links are provided in explanation for your convenience in order to provide additional information. It does not mean that we support those sites. We have no responsibility for the content of sites whose links we mentioned.
- Use of this website and any dispute arising out of the use of this website will be subject to the laws of Romania
- In no event will we be liable for any loss or damage, including without limitation the loss of data or profits arising out of or in connection with the use of this website.
- EXTRANET does not assume any responsibility for technical problems that involve the use of the site.

PRIVACY POLICY

This privacy policy sets out how EXTRANET uses and protects any information that you provide to us when using this site.

Policy is consistent and complementary "EXTRANET data protection policy" and provisions L 677/2001

EXTRANET may change this policy every now and then by updating this page. You should check this page occasionally to ensure you are happy with any changes. This policy is effective from 01/08/2016

We may collect the following information:

- Name and work
- Contact information including email address
- demographic information such as postcode
- Other relevant information for preparing tenders

What we do with the information we gather

- We use it to improve our products and services
- We use it to contact you about our services and products

You can choose to restrict the collection or use of your personal information in the following ways:

- If you become aware of the terms and conditions of use of this website and imply acceptance that we may use your personal information for marketing purposes, you can change your mind at any time by email at juridic@extravision.ro.

We will not share or disclose your personal information to third parties unless we have your permission or we are requested in a legal basis.

EXTRANET will not keep your personal data for more than 5 years, the data used for statistical purposes and 10 years for data collected from a contractual relationship. These times are calculated from the date the information is provided or from the termination of the collaboration.

After the period above has passed, Extranet undertakes the information to archives and will no longer use your personal data.

If you believe that any information we hold about you is incorrect or incomplete, please write to us at our e-mail as soon as possible. We will promptly correct any information proved to be incorrect.
